## Pages by Issue

July 3, 1952	Pages	1 to 66	October 9, 1952	Pages	471 to 536
July 17, 1952	"	67 to 132	October 23, 1952	"	537 to 666
July 31, 1952	"	133 to 198	November 6, 1952	"	667 to 748
August 14, 1952	"	199 to 264	November 20, 1952	"	749 to 814
August 28, 1952	"	265 to 330	December 4, 1952	"	815 to 880
September 11, 1952	"	331 to 396	December 18, 1952	"	881 to 946
September 25, 1952	"	397 to 470			

## Subject Index

- ACCOUNTING,  
See also Depreciation.  
Contributions to utility accounting literature, 313.  
Depreciation costs as affected by inflation, 31, 617.  
Tax savings resulting from accelerated amortization, 373, 729.
- ADVERTISING,  
Study of advertising for factories, 58.
- AIR CARRIERS,  
State regulation of, 596.
- ALLOCATION,  
FPC natural gas cost allocation, 680.
- AMERICAN BAR ASSOCIATION,  
Depreciation problems considered, 602, 617, 625.  
Developments in telephone rate regulation, 590.  
Developments in transportation law, 584.  
Recent developments in the gas and electric fields of public utility law, 581.  
Regulatory lag considered, 631, 638, 650, 659.  
State regulation of air carriers, 596.
- AMERICAN GAS ASSOCIATION,  
Annual convention, 669, 803.
- AMERICAN TRANSIT ASSOCIATION,  
Transit industry marks another year, 399.
- AMORTIZATION,  
Tax savings from accelerated amortization, 373, 729.
- APPORTIONMENT,  
FPC natural gas cost allocation, 680.
- AUTHORITIES,  
Administering the public authority, 187.
- BROKERS,  
List of brokers' utility analyses, 508.
- CALIFORNIA,  
California regulatory problem, 93.
- CANADA,  
Natural gas for the Pacific Northwest, 909.  
Views on natural gas pipeline systems, 369.
- CAPITAL,  
Cost of, see Return.  
Changing concepts of capital exhaustion, 562.
- CHICAGO,  
Chicago's electric theater, 495.  
Field storage for Chicago's gas consumers, 736.
- CIVIL DEFENSE,  
Utility rôle in, 806.
- COMMISSIONERS,  
NARUC views on corporate finance, 864.  
NARUC views on electric rates, 865.

## PUBLIC UTILITIES FORTNIGHTLY

### COMMISSIONERS—*continued*

NARUC views on functions of regulatory commissions, 865.

NARUC views on "preference clause," 865.

NARUC views on public relations, 866.

NARUC views on railroad passenger deficit problem, 866.

NARUC views on rate base determination, 867.

NARUC views on reasonableness of rates, 867.

NARUC views on regulatory lag, 867.

NARUC views on retention of state powers, 869.

NARUC views on standards of utility service, 869.

NARUC views on the small telephone company, 869.

NARUC views on transit problems, 870.

NARUC views on valuation, 870.

Resolution favoring amendments to Federal Power Act, 868.

Resolution favoring amendments to Natural Gas Act, 868.

Resolution on taxes, 869.

### COMMISSIONS,

See also Regulation.

California regulatory problem, 93.

Federal Power Commission as weather vane, 789.

FPC members speak up on gas regulation, 734.

Gas men hit FPC and OPS rulings, 723.

Materials Policy Commission report, 310.

NARUC views on functions of regulatory commissions, 865.

New York commission issues annual report, 249.

Regulatory concepts, question of inflation requiring adjustment, 56.

Regulatory lag considered, 631, 638, 650, 659, 867.

Reorganization of a modern regulatory commission, 539.

SEC plans under § 30 of Holding Company Act, 302, 333, 473.

Whether FPC is turning a damper on gas expansion, 725.

### COMMUNICATIONS,

Better communications for utilities, 780.

Communications taxes criticized at NARUC meeting, 853.

Transistor electronic aids to, 135.

### CONDEMNATION,

Citizen opposition to utility right of way, 286.

### CONSERVATION,

Gas regulation from consumer's viewpoint, 84.

### CONSOLIDATED EDISON COMPANY,

Rate decision involving, 235.

### CONSTRUCTION,

Citizen opposition to utility right of way, 286.

Estimating potential cost of nuclear power plants, 300.

Financing construction programs of independent telephone companies, 376.

### CONSUMERS AND PATRONS,

Building good will among customers who owe, 355.

Gas regulation from consumer's viewpoint, 84.

### CONTROLS,

Gas men hit FPC and OPS rulings, 723.

Material controls for transit business, 411.

Why a PAD order No. 2—and how long? 673.

### CONVENTIONS,

American Bar Association, 581.

American Gas Association, 669, 803.

American Transit Association, 399.

Edison Electric Institute, 115.

National Association of Railroad and Utilities Commissioners, 853, 864.

United States Independent Telephone Association, 792.

### CORPORATIONS,

Care and feeding of stockholders, 689.

Investor relations—an important aspect of utility management, 547.

NARUC views on corporate finance, 864.

Section 30 investigation of merger programs by SEC, 302, 333.

Standard Gas & Electric liquidation plan, 106.

Suggestions on regular interim reports, 48.

### COST,

Acquisition cost below original cost, 928.

FPC gas cost allocation, 680.

Of capital, see Return.

### DEPRECIATION,

Accounting for tax savings resulting from accelerated amortization, 373, 729.

Inflation and other problems affecting, 31, 602, 617, 625.

Responsibility of utility management with respect to, 602.

### EASEMENTS,

Citizen opposition to utility right of way, 286.

### EDISON ELECTRIC INSTITUTE,

Companies find rails closest to nationalization, 309.

Convention activities, 115.

### ELECTRICITY,

Chicago's electric theater, 495.

Controversy over Kings river development, 272.

Economic leverage to eclipse private power, 481.

## PUBLIC UTILITIES FORTNIGHTLY INDEX

### ELECTRICITY—*continued*

- Efficiencies to be expected in operations, 923.
- Electric industry looking ahead, 883.
- Federal power authorities, whether more are needed, 817.
- Freedom and power, 515.
- Industrialization and the cheap power myth, 209.
- Map of principal interconnected transmission lines, 51.
- Map showing location of Federal power projects, 144, 150.
- Nationalization of water and power condemned, 250.
- Nuclear power plants, 300, 448.
- Power issue progress, 443.
- Private power companies, future of, 143.
- Production without boilers and generators, 107.
- Progress of the electric utility industry, 506.
- Public power preference clause, 77, 865.
- Recent developments in field of public utility law, 581.
- Utility company contracts for Federal Power, 267.

### ELECTRONICS,

- Transistor electronic aids to communications, 135.

### EMPLOYEES,

- See Labor.

### EXPENSES,

- See also Depreciation; Inflation.
- Allocation of gas costs by FPC, 680.
- Pensions, regulatory view of, 201.
- Rate adjustment clauses related to, 826, 897.

### FARMERS,

- Utility aid to farmers along right of way, 222.

### FEDERAL GOVERNMENT,

- Changing the guard, 917.
- Companies find rails closest to nationalization, 309.
- Controversy over Kings river development, 272.
- Economic leverage to eclipse private power, 481.
- Electric light and power industry looking ahead, 883.
- Industrialization and the cheap power myth, 209.
- Interior's adventures in the Missouri Basin, 69, 153.
- Map showing Federal power marketing areas, 150.
- Map showing location of spending on Federal power projects, 144.
- Natural gas supply and Federal regulation, 11.
- Power authorities, whether more are needed, 817.
- Private power companies, future of, 143.
- Public relations planning of utility management, 761.

### FEDERAL GOVERNMENT—*continued*

- Reclamation and the budget, 919.
- Utility company contracts for Federal power, 267.

### FEDERAL POWER ACT,

- NARUC resolution favoring amendments to, 868.

### FINANCES,

- See also Securities.
- AEC plant financing, 790.
- Annual review of transit industry, 445.
- Banker's views on regulation and rate of return, 553.
- Finding utility money for new people, 214.
- Impact of Northern Natural Gas decision on, 751.
- Methods of equity financing in 1951-52, 47.
- NARUC views on corporate finance, 864.
- Progress of the electric utility industry, 506.

### FREE ENTERPRISE,

- Understanding our free economy, 385.
- Whether industry is selling itself out of free enterprise, 566.

### FUEL,

- Automatic adjustment clauses in gas rate schedules, 826, 897.

### GAS,

- American Gas Association convention, 669.
- Automatic adjustment clauses in gas rate schedules, 826, 897.
- Canadian views on natural gas pipeline systems, 369.
- Field storage for Chicago's gas consumers, 736.
- FPC gas cost allocation, 680.
- FPC members speak up on gas regulation, 734.
- Growth carries industry to new heights, 669.
- Industry expenditures for construction in 1952-1956 years, 183.
- Industry worries over FPC's "cost of money" rate theory, 794.
- Insurance investor looks at natural gas securities, 855.
- Man-power problems of industry, 705.
- Natural gas for the Pacific Northwest, 909.
- Natural gas supply and Federal regulation, 11.
- New income statement for gas industry, 107.
- New rule for rate cases, 722.
- Public relations program for industry, 715.
- Recent developments in field of public utility law, 581.
- Regulation from consumer's viewpoint, 84.
- Return for natural gas companies, 832.
- Tidelands issue, 520.
- Training men for the gas industry, 696.
- Whether FPC is turning a damper on gas expansion, 725.
- Why a PAD order No. 2—and how long? 673.

### HEAT PUMP,

- Heat pump up to date, 161.

## PUBLIC UTILITIES FORTNIGHTLY

### HOLDING COMPANIES,

- SEC plans under § 30 of Holding Company Act, 302, 333, 473.
- Standard Gas & Electric liquidation plan, 106.

### INDUSTRY,

- Gas industry's man-power problems, 705.
- Industrialization and the cheap power myth, 209.
- Study of advertising for factories, 58.
- Whether industry is selling itself out of free enterprise, 566.

### INFLATION,

- Changing concepts of capital exhaustion, 562.
- Depreciation as affected by, 31, 602, 617, 625.
- Rate making and inflation, 3, 56, 244, 347, 860.
- Transit problems, 432.
- Utility official describes inflation impact, 244.

### INSTITUTE OF GAS TECHNOLOGY,

- Training men for the gas industry, 696.

### INTERIOR DEPARTMENT,

- See also Federal Government.
- Adventures in the Missouri Basin, 69, 153.
- Private power companies, future of, 143.

### INTERSTATE COMMERCE COMMISSION,

- Economists' report criticizes ICC decision, 516.
- Regulatory lag in, 638.

### INVESTORS,

- Care and feeding of stockholders, 689.
- Insurance investor looks at natural gas securities, 855.
- Investor relations—an important aspect of utility management, 547.
- Rôle in regulation of public utilities, 926.

### KINGS RIVER,

- Controversy over Kings river development, 272.

### LABOR,

- Gas industry's man-power problems, 705.
- Investment of utility pension funds, 361.
- Pensions, regulatory view on, 201.
- Training men for the gas industry, 696.
- Unions and telephones, 382.

### LEGISLATION,

- See also Federal Government.
- Public relations planning of utility management, 761.
- State legislatures' action on utility laws, 486.
- Unknown future, 850.

### MANAGEMENT,

- Safeguarding rôle of, 186.

### MAPS,

- Federal power marketing areas, 150.
- Interconnected electric transmission lines, 51.

### MAPS—continued

- Location of spending on Federal power projects, 144.
- New Yorker's idea of the United States of America, 776.

### MATERIALS,

- Materials Policy Commission report, 310.

### MERGERS,

- SEC plans under § 30 of Holding Company Act, 302, 333, 473.

### MISSOURI,

- Colorado backs Missouri Basin interstate compact, 247.
- Interior's adventures in Missouri Basin, 69, 153.

### NATIONAL ASSOCIATION OF RAILROAD AND UTILITIES COMMISSIONERS,

- See also Commissioners.
- Annual convention, 853, 864.

### NATIONALIZATION,

- Companies find rails closest to, 309.

### NATURAL GAS ACT,

- NARUC resolution favoring amendments to, 868.

### NEW YORK,

- Map showing New Yorker's idea of United States of America, 776.
- New York commission issues annual report, 249.
- Problems different from other areas, 772.
- Reorganization of a modern regulatory commission, 539.

### NUCLEAR POWER,

- Capitalization of nuclear power plants, 448.
- Estimating potential cost of nuclear power plants, 300.

### OHIO,

- Commission seeks to improve rural service, 175.

### PACIFIC GAS AND ELECTRIC COMPANY,

- Story of a great utility, 932.

### PAYMENT,

- Building good will among customers who owe, 355.

### PENSIONS,

- Investment of utility pension funds, 361.
- Regulatory view of utility pensions, 201.

### PIPELINES,

- See also Gas.
- Better communications for utilities, 780.
- Natural gas for the Pacific Northwest, 909.

### PREFERENCE CLAUSE,

- Public power preference clause, 77, 865.

### PRICES,

- See Inflation.

## PUBLIC UTILITIES FORTNIGHTLY INDEX

### PRODUCTION,

Natural gas supply and Federal regulation, 11.

### PUBLIC AUTHORITIES,

Administering the public authority, 187.

### PUBLIC OWNERSHIP,

See also Federal Government.

Economic leverage to eclipse private power, 481.

Electric light and power industry looking ahead, 883.

Federal power authorities, whether more are needed, 817.

Industrialization and the cheap power myth, 209.

Nationalization of water and power condemned, 250.

Private power companies, future of, 143.

Public power preference clause, 77, 865.

Transit industry, 424.

Utility company contracts for Federal power, 267.

### PUBLIC RELATIONS,

Building good will among customers who owe, 355.

Care and feeding of corporate stockholders, 689.

Commissioners' views on, 866.

Investor relations—an important aspect of utility management, 547.

Planning of utility management, 761.

Program for the gas utilities, 715.

Utility aid to farmers along right of way, 222.

### PUBLIC UTILITIES,

Seminar on safety in public utility operations, 281.

### RAILROADS,

Commissioners' views on passenger deficit problem, 866.

Companies find rails closest to nationalization, 309.

Developments in transportation law, 584.

Regulatory lag and rail rates, 638, 659.

What's wrong with railroad regulation? 457.

### RATE BASE,

Acquisition cost below original cost, 928.

Commissioners' views on, 867.

Inflation as affecting, 3, 56.

Transit regulation needs modification, 437.

### RATES,

Automatic adjustment clauses in gas rate schedules, 826, 897.

Banker's views on regulation, 553.

California regulatory problem, 93.

Commissioners' views on reasonableness, 867.

Developments in transportation law, 584.

FPC members speak up on gas regulation, 734.

Gas companies meet serious delays in increases, 305.

Inflation as affecting, 3, 56, 244, 347, 860.

### RATES—continued

NARUC views on electric rates, 865.

Railroad rate decision by ICC criticized, 516.

Recent developments in field of public utility law, 581.

Regulatory lag, 305, 631, 638, 650, 659, 867.

Restatement of fundamentals of rate making, 347.

Telephone rate regulation developments, 590.

Transit fares, 399, 415, 437.

### RECLAMATION,

Controversy over Kings river development, 272.

Reclamation and the budget, 919.

### REFRIGERATION,

Heat pump up to date, 161.

### REGULATION,

California regulatory problem, 93.

Commissioners' views on, 864.

Inflation and regulation, 3, 56, 244, 347, 860.

Investor's rôle in, 926.

Regulatory lag, 31, 602, 631, 638, 650, 659, 867.

Responsibility in rate making, 347.

Transit regulation needs modification, 437.

What's wrong with railroad regulation? 457.

### REPORTS,

New York commission issues annual report, 249.

Suggestions on regular interim reports, 48.

### RETURN,

Banker's views on regulation and rate of return, 553.

Cost of capital as governing, 19, 722, 725, 734, 751, 794, 832.

Dangers of constantly declining utility profit margins, 799.

Gas industry worries over FPC's "cost of money" rate theory, 794.

Gas men hit FPC and OPS rulings, 723.

Inflation as affecting rate making, 3, 56, 244, 347, 860.

Rate of, allowed in utility rate cases, 795.

Regulatory lag, 305, 631, 638, 650, 659, 867.

Telephone companies, allowances, 858.

Transit regulation needs modification, 437.

### RIGHT OF WAY,

Citizen opposition to utility right of way, 286.

### RIVERS,

Colorado backs Missouri Basin interstate compact, 247.

Free flood control by utilities on Wisconsin rivers, 843.

Interior's adventures in Missouri Basin, 69, 153.

### RURAL SERVICE,

More REA telephone loans approved, 920.

Ohio commission seeks to improve, 175.

REA clarifies area coverage, 44.

REA head warns against monopoly trends, 503.

## PUBLIC UTILITIES FORTNIGHTLY

### SAFETY,

Utility safety seminars, 281.

### SECURITIES,

See also Finances.

Advantages of private placements, 50.

Analysts urge stronger utility industry, 936.

Annual statistical publications, 237.

Cost of flotation, 179.

Earnings-price ratios as affecting return,

751, 794, 832.

Electric utility securities as savings banks investments, 237.

Equity financing in 1951-52, 47.

Insurance investor looks at natural gas securities, 855.

List of brokers' utility analyses, 508.

Optimistic forecast for 1961, 180.

Ownership of utility stocks, 177.

Utility stocks legal for savings banks in New York, 50.

### SECURITIES AND EXCHANGE COMMISSION,

Plans under § 30 of Holding Company Act, 302, 333, 473.

SEC gets cold eye from "public plants," 731.

### SERVICE,

Commissioners' views on standards of utility service, 869.

Gas restrictions under Petroleum Administration for Defense, 673.

Meeting demand for more plant facilities, 214.

Natural gas supply and Federal regulation, 11.

Transit problems, 399, 415.

### SOCIALISM,

American economic trends and socialism, 118.

State Socialism and Christianity, 934.

### SOUTH AMERICA,

Utilities serving Latin America, 181.

### STANDARD GAS & ELECTRIC COMPANY,

Liquidation plan, 106.

### STATES,

Colorado backs Missouri Basin interstate compact, 247.

Commissioners' views on retention of state powers, 869.

Federal power authorities, whether more are needed, 817.

Regulation of air carriers, 596.

State legislatures' action on utility laws, 486.

### STATISTICS,

Annual statistical publications, 237.

### STOCKHOLDERS,

Care and feeding of corporate stockholders, 689.

Insurance investor looks at natural gas securities, 855.

### STOCKHOLDERS—continued

Investor relations—an important aspect of utility management, 547.

Ownership of utility stocks, 177.

### STORAGE,

Field storage for Chicago's gas consumers, 736.

### TAXES,

Accounting for tax savings resulting from accelerated amortization, 373, 729.

Automatic adjustment clauses in gas rate schedules, 826, 897.

Communications taxes criticized at NARUC meeting, 853.

NARUC resolution on, 869.

Special privilege taxes affecting transit industry, 424.

Termination of excess profits tax, effect on utilities, 556.

Transit problems, 399, 432.

### TELEPHONES,

Better communications for utilities, 780.

Commissioners' views on the small telephone company, 869.

Communications taxes criticized at NARUC meeting, 853.

Developments in rate regulation, 590.

Financing construction programs of independent telephone companies, 376.

Meeting demand for more plant facilities, 214.

Ohio commission seeks to improve rural service, 175.

Postal Service and Bell System compared, 504.

REA clarifies area coverage, 44.

Return allowed telephone utilities, 858.

Transistor electronic aids to communications, 135.

Unions and telephones, 382.

United States Independent Telephone Association holds annual meeting, 792.

### TIDELANDS,

Major question in presidential campaign, 520.

### TRANSISTOR,

Transistor electronic aids to communications, 135.

### TRANSPORTATION,

Annual review of transit industry, 445.

Business and the transit problem, 933.

Cheap and practical solution to transit problem, 454.

City transit—the utility stepchild, 432.

Commissioners' views on transit problems, 870.

Commissioners' views on valuation for motor carrier regulation, 870.

Danger of collapse of urban transportation, 903.

Death of a transit system, 459.

## PUBLIC UTILITIES FORTNIGHTLY INDEX

### TRANSPORTATION—*continued*

Developments in transportation law, 584.  
Material controls for transit business, 411.  
Public ownership as answer to urban transit problem, 424.  
Transit industry marks another year, 399.  
Transit regulation needs modification, 437.  
What price local transit's future? 415.

### UNIONS,

Communications workers vote "war chest," 103.  
Unions and telephones, 382.

### UNITED STATES INDEPENDENT TELEPHONE ASSOCIATION,

Annual meeting held, 792.

### VALUATION,

Commissioners' views on valuation, 870.

### WATER,

Colorado backs Missouri Basin interstate compact, 247.  
Controversy over Kings river development, 272.  
Free flood control by utilities on Wisconsin rivers, 843.  
Interior's adventures in Missouri Basin, 69, 153.  
Nationalization of water and power condemned, 250.  
Water, water everywhere—why not drink it? 385.

### WHEELING CONTRACT,

Utility company contracts for Federal power, 267.

### WISCONSIN,

Free flood control by utilities on Wisconsin rivers, 843.

## PUBLIC UTILITIES FORTNIGHTLY INDEX

Utility Addresses before the American Bar Association—Appendix ..... 581

### Index to Public Utilities Reports

(This section of the magazine, which comprises the decisions, orders, and rulings of courts and commissions, is too voluminous to be included in this index. These Reports are published in five bound volumes a year, together with the PUR Annual (Index), and may be ordered from the publishers, PUBLIC UTILITIES REPORTS, INC., 309 Munsey Building, Washington 4, D. C.)
